GENERAL INSTRUCTIONS

A. Rule as to Use of Form N-PORT

Form N-PORT is the reporting form that is to be used for monthly reports of Funds other than money market funds and SBICs under section 30(b) of the Act, as required by rule 30b1-9 under the Act (17 CFR 270.30b1-9). Funds must report information quarterly about their portfolios and each of their portfolio holdings as of the last business day, or last calendar day, of each month. A registered investment company that has filed a registration statement with the Commission registering its securities for the first time under the Securities Act of 1933 is relieved of this reporting obligation with respect to any reporting period or portion thereof prior to the date on which that registration statement becomes effective or is withdrawn.

Reports on Form N-PORT must disclose portfolio information as calculated by the fund for the reporting period’s ending net asset value (commonly, and as permitted by rule 2a-4, the first business day following the trade date). A Fund must maintain in its records the information that is required to be included on Form N-PORT no later than 30 days after the end of each month. Such information shall be treated as a record under section 31(a)(1) of the Act and rule 31a-1(b) thereunder subject to the requirements of rule 31a-2(a)(2). Reports on Form N-PORT for each month in each fiscal quarter of a fund must be filed with the Commission no later than 60 days

Persons who respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB control number.

after the end of such fiscal quarter. If the due date falls on a weekend or holiday, the filing deadline will be the next business day.

A Fund may file an amendment to a previously filed report at any time, including an amendment to correct a mistake or error in a previously filed report. A Fund that files an amendment to a previously filed report must provide information in response to all items of Form N-PORT, regardless of why the amendment is filed.

B. Application of General Rules and Regulations

The General Rules and Regulations under the Act contain certain general requirements that are applicable to reporting on any form under the Act. These general requirements shall be carefully read and observed in the preparation and filing of reports on this Form, except that any provision in the Form or in these instructions shall be controlling.

C. Filing of Reports

Reports must be filed electronically using the Commission's Electronic Data Gathering, Analysis, and Retrieval ("EDGAR") system in accordance with Regulation S-T. Consult the EDGAR Filer Manual and Appendices for EDGAR filing instructions.

D. Paperwork Reduction Act Information

A Fund is not required to respond to the collection of information contained in Form N-PORT unless the form displays a currently valid Office of Management and Budget ("OMB") control number. Please direct comments concerning the accuracy of the information collection burden estimate and any suggestions for reducing the burden to the Secretary, Securities and Exchange Commission, Washington, DC 20549. G. Responses to Questions

In responding to the items on this Form, the following guidelines apply unless otherwise specifically indicated:

- Funds may respond to this Form using their own internal methodologies and the conventions of their service providers, provided the information is consistent with information that they report internally and to current and prospective investors. However, the methodologies and conventions must be consistently applied and the Fund’s responses must be consistent with any instructions or other guidance relating to this Form. A Fund may explain any of its methodologies, including related assumptions, in Part E.
- A Fund is not required to respond to an item that is wholly inapplicable (for example, no response would be required for Item C.11 when reporting information about an investment that is not a derivative). If a sub-item requests information that is not applicable (for example, an LEI for a counterparty that does not have an LEI), respond N/A;
- If an item requests the name of an entity, provide the full name to the extent known, and do not use abbreviations (other than abbreviations that are part of the full name);
- If an item requests information expressed as a percentage, enter the response as a percentage (not a decimal), (*e.g.*, 5.27%);
- For currencies other than U.S. dollars, also report the applicable three-letter alphabetic currency code pursuant to the International Organization for Standardization (“ISO”) 4217 standard;
- If an item requests a unique identifier, such an identifier may be internally generated by the Fund or provided by a third party, but should be consistently used across the Fund’s filings for reporting that investment so that the Commission, investors, and other users of the information can track the investment from report to report;
- If an item requests a date, provide information in yyyy/mm/dd format; and
- If an item requests information regarding a “holding” or “investment,” separately report information as to each holding or investment that is recorded in the Fund’s books as part of a larger transaction. For example, two or more partially offsetting legs of a transaction entered into with the same counterparty under a common master agreement shall each be separately reported.
